5. [ ] John Carver, OTR, called and asked if we could arrange for several selected members of Congress or senior staff people to talk with the Intelligence Production Course members on the Hill on the afternoon of 10 April. He said they would also like Mr. Maury to speak to this group that morning, if this was possible. I told Carver we would look into this and let him know what could be done.

6. [ ] In response to his call of yesterday, I called Eric Freedman, on the staff of Representative Charles B. Rangel (D., N.Y.), and told him that, while we did not vouch for the accuracy of all the information in the Moose/Lowenstein report of April 1971, he could find answers to some of the questions he had raised about activities in Long Tieng. I told him that anything further they might desire on this should be the basis of a request either to Chairman Hebert or to Mr. Frank Slatinshek, House Armed Services Committee staff. (Slatinshek had previously agreed with this response to Freedman's inquiry.)

7. [ ] In connection with the inquiry from Al Tarabochia, Senate Internal Security Subcommittee staff, about the status of the Cuban who defected to the British last December, Mr. Sternfield advised that no action would be taken on this case until after the President's trip to the Soviet Union. We will merely advise Tarabochia that we are still in the process of debriefing this Cuban and will let the Subcommittee know when he is available.

8. [ ] Met with Senator Milton Young (R., N. Dak.) whom I briefed on significant intelligence developments over the past three weeks including items concerning a short-range Soviet missile system, a Soviet bomber, certain sensitive Soviet research facilities, ChiCom submarines, a type of Soviet aircraft, and the Y-class submarine.
